Our Parish Website

For those who are able to regularly check the internet on your PC, phone, or other device, you may wish to visit our parish website to see what information is uploaded there.

The content has recently been revised to include more material on policies relating to **Child Safety and Privacy**. It also includes weekly bulletins, and our annual reports and financial statement.

In addition there is information about the parish sacramental program and preparation for weddings and baptisms.

Some material about our parish history is also included.

Regular mass times and recent or coming events are also provided.
