

Young Adult Ministry (YAM) is ... *to engage young adults through friendship and service, by journeying together in faith, and discovering Jesus in ourselves and each other.* This year, we probably needed to add the words 'via Zoom' at the end of that statement!

2020 started off like any other year for YAM with a sunny summer BBQ at Fawkner Park in March; unbeknown to us, this was our last physical gathering together as a group this year.

We had to quickly familiarise ourselves with the functions of Zoom, and we organised an Easter Sunday Mass specifically for YAM, celebrated by a familiar face to many of us, Fr Percival.

Later we facilitated a Games Night via Zoom in July, and most recently in October, we hosted a Q&A with Patrice Moriarty from the Archdiocese of Parramatta, as part of the Parish fortnightly Zoom Conferences. And to maintain some level of normality through it all, YAM have been leading the 6pm Saturday Vigil masses, where YAM members participated virtually as readers, singers or musicians.
